

ROHITH PALANIVEL

Full Stack Developer (Intern) — Front-End Developer

Namakkal, Tamil Nadu — +91 99526 52246

rohithcs1414@gmail.com — www.linkedin.com/in/rohith-palanivel-a0089b304

Professional Summary

Third-year B.E. CSE student with real industry experience as a Full Stack Developer Intern at Casagenix and Front-End Developer at Hindusthan Educational Institutions. Contributed to production-level development across UI/UX, API integration, testing, and deployment. Built responsive and scalable web apps with a focus on problem-solving, not just aesthetics. Currently exploring AI-driven systems and software engineering with the goal of becoming a job-ready developer capable of shipping real solutions.

Work Experience

Full Stack Developer Intern — Casagenix (UK Based) 2025 – Present

- Contributed to modules in a contractor job & work order management platform.
- Integrated REST APIs, improved UI responsiveness, and optimized component rendering.
- Worked across dev lifecycle: design, development, testing, deployment.

Front-End Developer — Hindusthan Educational Institutions 2025 – Present

- Developed production-level web pages using React, Tailwind and routing-based navigation.
- Built dynamic components: data tables, category filters, and tabbed views.
- Improved accessibility, responsiveness, and layout structure across pages.

Projects

InterviewQB — Smart Interview Question Bank

- Automated question generation, filtering, and assessment flow.
- Built for students preparing for placements with structured practice sets.

AI Resume Advisor — AI-Based Resume Improvement System

- Uses AI feedback prompts to analyze resumes and suggest improvements.
- Focused on clarity, structure, ATS acceptance, and job readiness.
